Upon request, Manchester Utilities Authority will bill an account in the tenant's name in its serving areas. However, the owner of the property is always liable to Manchester Utilities Authority for all payments due should the tenant not make payment for any reason. This is in accord with N.J.S.A. 40:62 – 141. All current and past due balances must be paid in full prior to an account being set in a tenant's name.

I fully understand and agree to the above terms as set forth.
